Old Irish Blessing
May the road rise up to meet you, May the wind be always at your back, May the sun shine warm upon your face, And all the rains fall soft upon your fields, And until we meet again, May God hold you in the palm of His hand.

Hello Dave the three of us want to express our deepest sympathy on the loss of your Mom. We also are thinking of you in this difficult time and know our prayers are with you. As you go through the next days weeks and months please be comforted by the fact that over the past 11 years you did al you could for your Mom putting her needs above yours you were there for her. Take comfort in the cherished memories as you move forward. Once again our thoughts and prayers are with you and your Mom. Al, Gloria, and Gina Marcucci.
