

Adrian Joshua Regalado

April 10, 1992 - August 24, 2020

A gentle and loving spirit Adrian was suddenly taken from us on August 24, 2020.

Adrian Joshua Regalado was born in Los Angeles California and later moved to Las Vegas, Nevada in 1994. Adrian is the beloved son of Vincent Ray Regalado and Elizabeth Laca. In addition to his parents, Adrian is survived by his siblings Mario Montes, Vincent Armando Regalado, Guillermo Serrano, Andrew Regalado, Valerie Regalado and his loving girlfriend Cindy Duran. Adrian is also survived by his favorite niece, Elicia Serrano.

Adrian Regalado was known for his infectious and positive personality. His smile, laughter and his compassion was evident at work with the Teamsters. He was a very hard worker. His knack for making people laugh will be missed by every person that came into contact with him. He was such a bright light that everyone gravitated towards him no matter where he was or what he was doing. As one of his cousins would put it, he was "Everyone's favorite". Adrian had an admiration for the Lakers, UFC, Dragon Ball Z, StarCraft and the Deftones. Even if you didn't ask, he would let you know about them anyway. Our loving and gentle Adrian will truly be missed and will join his grandparents, uncles and aunts into guiding and watching over us.

I was chosen today
I'm learning to fly
The world took me away,

But please don't you cry.

And I chose you today
To try and be strong
So please don't you cry
And don't say that I'm gone.

When you're feeling alone
Just remember our love,
I'm up near the stars
Looking down from above.

Remember our love
In a moment you'll see
That I'm beside you
When you're thinking of me.

“ 8/24/21 Family had a nice time eating all his favorite foods, exchanging good memories and making plans for the future as we have some more weddings and children/grandchildren on the way. I know that Adrian would want to let people know how many Teamsters were near and dear to him and that the Teamster 631Local was especially helpful during his family's time of need. I can find no larger purpose in life than to keep family safe and well.

“ To my son. How I miss your smile, strength and gentleness towards others. I miss our conversation, fishing trips and jokes. I miss you going with me to show union power at the marches. Most of all, I miss you being my loving son Adrian. Now I will just await the time until our memories join as one again. Until then I will look at the sky for your face, listen in the wind for your voice and soak up the sun to remind me of your touch. I love you mijo, forever.
