### I'm Free

Don't grieve for me for now I'm free. I'm following the path God has laid you see. I took His hand when I heard His call. I turned my back and left it all. I could not stay another day to laugh, to love, to work, or play. Tasks left undone must stay that way. I found peace at the close of day. If my parting has left a void then fill it with remembered joys. A friendship shared, a laugh, a kiss. O yes, these things too, I will miss. Be not burdened with times of sorrow. I wish you the sunshine of tomorrow. My life's been full I savored much, good friends, good times, a loved one's touch. Perhaps my time seemed all too brief. Don't lengthen it now with undue grief. Lift up your hearts and peace to thee... God wanted me now. He set me free.

“ *With Sincerest Sympathy Your loss is shared by many who knew your beautiful mom so well. So caring thoughts are with you, much more than words can tell. May you feel the strength of God, as we hold you close in prayers.*

“ *I believe you are smiling in the sky above, freely swaying like flowers along the winds blessing us with the warm sunshine. Rest in peace Andrea. You will be missed. Morghen, Darrin, Lauren, Dillon, Candace, and Drew...A beautiful person that departs from this earth, never truly leaves. She is still alive in your hearts. Through you all...she lives on. My condolences.*

“ There aren't enough words efficient enough to describe every moment we spent together. Every laugh, frown, tear, kiss, or embrace can't be summed up in such a small fraction of time. My love for you exceeds time itself for our passion was always endless. Even though you jogged ahead to enjoy paradise, always remember I am just moments behind. As you enter the heavens please listen to these words, " I love you Andrea Pacillas" I will see you soon.
