Don't grieve for me for now I'm free. I'm following the path God has laid you see. I took His hand when I heard His call. I turned my back and left it all. I could not stay another day to laugh, to love, to work, or play. Tasks left undone must stay that way. I found peace at the close of day. If my parting has left a void then fill it with remembered joys. A friendship shared, a laugh, a kiss. O yes, these things too, I will miss. Be not burdened with times of sorrow. I wish you the sunshine of tomorrow. My life's been full I savored much, good friends, good times, a loved one's touch. Perhaps my time seemed all too brief. Don't lengthen it now with undue grief. Lift up your hearts and peace to thee... God wanted me now. He set me free.

"And I heard a loud voice from the throne saying, "Look! God's dwelling place is now among the people, and he will dwell with them. They will be his people, and God himself will be with them and be their God. He will wipe every tear

from their eyes. There will be no more death' or mourning or crying or pain, for the old order of things has passed away."
