When I Must Leave You

When I must leave you for a little while, please do not grieve and shed wild tears and hug your sorrow to you through the years, but start out bravely with a gallant smile; and for my sake and in my name live on and do all things the same. Feed not your loneliness on empty days, but fill each waking hour in useful ways. Reach out your hand in comfort and in cheer and I in turn will comfort you and hold you near; and never, never be afraid to die, for I am waiting for you in the sky!

“ I miss you so much, Ann. You are so unforgettable and you touched my heart in so many ways. I cry almost everyday still. Even though you would probably tell me "Ohhhh stop!" Lol. I am happy you're not in pain anymore. I know you are angel. I'm honored to have spent the time I did with you. I feel we've had other soul journeys together. I miss you so much. Love forever, Kari

“ Bob, Chrissy, Casey and family~I heard of your shocking loss. I wanted you all to know how deeply sad I am for your loss, please accept my sincere condolences. Sending many prayers and hugs to you Bob, I know she was your everything. You had a beautiful love for one another, unbreakable and so strong. Ann was one of a kind and I have many good memories of her, which I'm sharing with Brandon along with photos so he knows what a kind, strong, fun person she was. I'm thankful for the photos we took the last time we all saw one another so he can see the love and happiness in your faces with him. I know he will cherish them. Love, Mary Ellen
