Letter From Heaven

When tomorrow starts without me, and I'm not here to see, if the sun should rise and find your eyes, filled with tears for me. I wish so much you wouldn't cry, the way you did today, while thinking of the many things, we didn't get to say.

I know how much you love me, as much as I love you, and each time you think of me, I know you'll miss me too.

When tomorrow starts without me, don't think we're far apart, for every time you think of me I'm right there in your heart.

“ *To my beloved friends and family, your dad, and grandfather was very special man and dear to all of us. We had several occasions to spend time together with him in the mountains. Bob loved his family more than anything, and his kids loved him beyond measure. He will be sorely missed, but I am thankful to know he has left an amazing legacy among his family. May the peace of God that passes all understanding be with you now and forever. All our love, Terre and Bubba Barbin*
