My life was filled with jokes and laughter  
altogether I had some fun

I danced and sang with joy  
singing Fraulein to everyone

My family and friends just know  
My love is never gone  
Remember me in your hearts  
I'll be by your side every break of dawn

The hurt and pain is all gone now  
I'm sure everyone can see  
I'm with my mom, my dad, all who passed,  
and especially my Anthony

I love you all so much  
I love you all so dear  
Just remember me forever  
"Never fear, Lisa's here"

“ Just wanted to share photos with Auntie Lisa ... she will forever be remembered ❤️ I was reminded by a family member, when we were enjoying the company and u would wanna get your groove on, you would say, "play that f\*\*\*\*\* music!" Then your laughter will feel the air and my girls will laugh with you, and continue repeating what Auntie Lisa would say. Your quirks, remarks, your company, you will be missed! When you call and ask Lanee are we drinking tonight and she says ofcourse, I'll pick you up, you will be missed. You will be forever missed but not forgotten ❤️!

“ Our Sister Lisa was a fun-loving person who always had a smile on her face and a kind word for everyone she met. She celebrated her life to the fullest and the happiness she brought to those around her, especially during family gatherings. Her infectious smile and positive attitude were contagious. Lisa's passing is a great loss to all who knew her, but her memory will live on the hearts of those who loved her. Her infectious smile, her kind heart and her love of life will never be forgotten. She will always be remembered as a fun loving person who lived every moment to the fullest. She loves to dance and sing, especially country and western music. She always provides and protects her family, especially her grandchildren. You are gone our sister, but we will never forget you. We love you so much. Rest in Peace.- From your brothers and sisters.

“ *We are so glad that we got to spend time with you before heading out there to the mainland. Had the time to hang out and drink with you, and spend time with us and got to know my girls, and the girls got to know you better. Cherished the moments and so grateful! May you rest in peace Auntie Lisa! As the days and weeks pass, and as you return to life's routine, may you continue to feel comforted by the love and support of family and friends.*
