He Only Takes the Best-Female

God saw she was getting tired and a cure was not to be, So He put His arms around her and whispered "Come with Me". With tearful eyes we watched her suffer, and saw her fade away, although we loved her dearly, we could not make her stay. A golden heart stopped beating, hardworking hands to rest. God broke our hearts to prove to us, He only takes the best.

“ *April always had a smile on her face and had a way of making all of those around her feel special. Her heart was full of love for her patients and coworkers alike. My heart is broken for those who are left behind to grieve such a tremendous loss. April was a kind and loving soul and a fantastic nurse. She will be missed dearly.*
