“ I am so sorry to learn of Arlene's passing. I worked with Arlene for most of 20 years. She was conscientious and professional in her work.... We always went to her for grammar advice! But there was so much more! She genuinely cared about those she worked with and was always kind, supportive and caring! She certainly did enjoy all Las Vegas had to offer! She would tell me about events she attendedi had never heard about, and I lived in LV 40 years! She hosted Christmas parties for the office in her clubhouse and always made sure all of the details were taken care of.Finally, and maybe most important to me anyway! She introduced me to cheese curds, and brought them back everytime she went home on vacation!Rest in peace, Arlene and love and prayers for the family and friends she left behind.

“ Arlene was my very close friend. Her kindness, expertise in game playing, and hospitality will be missed. Heaven has gained a beautiful soul.
