

## Barbara Ann Liotti

April 5, 1945 - March 18, 2021

I'd like the memory of me to be a happy one. I'd like to leave an afterglow of smiles when my life is done. I'd like to leave an echo whispering softly down the ways. Of happy times and laughing times and bright sunny days. I'd like the tears of those who grieve, to dry before the sun. Of happy memories that I leave when life is done.

“ I have nothing but happy memories of you Grandma. Your kindness was unmatched, your cooking above all else, and watching hocus pocus every year singing I put a spell on you with you will always be one of my favorite memories. I love you.

“ I am glad I had the opportunity of having you as a friend even though the past few years were difficult for me & I didn't stay in touch. You were always on my mind & in my heart. Until we meet again I will always cherish you

“ Aunt Barb, I always cherish how you made me feel like family, driving us to the movies, taking us to dinner and bringing home Levi's. I've long missed your Sangria punch and pool parties. Rest in Paradise Aunt Barb, fly high.
