

## Benjamin "Benji" Cafaro

September 3, 1956 - June 3, 2025

### He Only Takes the Best

God saw he was getting tired a cure was not to be, so He put His arms around him and whispered "Come with Me". With tearful eyes we watched him suffer, and saw him fade away, although we loved him dearly, we could not make him stay. A golden heart stopped beating, hardworking hands to rest. God broke our hearts to prove to us, He only takes the best.

“ I feel like I knew Benji my whole life, from the second grade on. He was one of the first kids I met at Robert E Lake. Our dads worked together at the Tropicana too. I adored him, time would pass when we would talk or see each other, but when we did, we'd pick right up where we left off, God bless your soul my old friend.. my heart goes out to your family.

“ Benji, what can be said. I've known Benji since I was 8. He lived 3 doors down. We were friends for 60 years. We did not always see each other later in life. But a friendship never needs. Rest in Peace my friend. The pain is gone, and your reunited with your heavenly family. You will be missed.
