### Letter From Heaven

When tomorrow starts without me, and I'm not here to see, if the sun should rise and find your eyes, filled with tears for me. I wish so much you wouldn't cry, the way you did today, while thinking of the many things, we didn't get to say.

I know how much you love me, as much as I love you, and each time you think of me, I know you'll miss me too.

When tomorrow starts without me, don't think we're far apart, for every time you think of me I'm right there in your heart.

“ Ben, You were an amazing stepdad. You always treated my sister and I with love and kindness. You got me into classic rock, and always was there to give great advice when I needed it. I toast a Pepsi and blast some Alice Cooper or Pink Floyd for you! Much love, Jacob

“ The first time I met you Ben your smile comes to mind. It seems you always had one. You were the kind of person that could light up even the darkest room when you walked in. Though I didn't know you well, it was clear to me why you were so loved. I know you are not gone, you are just away, lighting up the gates of heaven.

“ Once upon a time, on a day that looked like any other day, someone like no one else comes along, and makes life into something that would never be the same, that someone was you. I was truly lucky to be loved by him. I have so many wonderful memories that I will carry in my heart always. Benjamin will always have a reserved place in my heart. Kuuipo Benjamin

“ Rest easy my friend, I will always cherish the memories. It seems so surreal that you have gone. You are one of a kind, a light in an all too often dark world. I miss you Neb Nibroc. Until Valhalla ❤️

“ Rest in paradise dad, I will love you forever. As long as I am here I will never let your memory fade. Ben was such a loving grandfather and such an accepting soul. Sadness was never an emotion to be felt if Ben was present. My best friend and family, gone too soon.
