## Miss Me but Let Me Go

When I come to the end of the road and the sun has set for me I want no rites in a gloom-filled room. Why cry for a soul that's set free. Miss me a little, but not too long and not with your head bowed low. Remember the love that we once shared. Miss me, but let me go. For this is a journey that we all must take and each must go alone. It's all a part of the Master's plan, a step on the road to home. When you are lonely and sick of heart, go to the friends we knew and laugh at the things that we used to do. Miss me, but let me go.

“ *Bennie was my baby brother, We've shared a lifetime together and I'll miss him lots. He used to call me every week and when my phones rings now I realize it can't be him ..Our sister Bettie Taylor passed in January 2024. Brothers, Leon in2018 and Elvin in 2017. I guess it will be my turn next. Save me a seat in heaven. Love you all, Vivie*

“ *I remember meeting Bennie in Quartzsite when we started full time RV'ing. Bennie came right over and was so nice and introduced himself. For the past few years when we've ran into him he has shared stories of when he was a young boy and going through life. He was such a "talker" and we enjoyed his company. We were blessed to have a very devoted, nice friend to the end. See you someday in the next life Bennie.*
