Benny Lee Maners

Matthew 20:16: So the last will be first, and the first will be last.

Benny Maners, 65, passed away March 1st, after a long illness.

He was born October 24, 1955, in Las Vegas. He was the son of the late Henry O. and Wilma L. Maners. Benny graduated from Rancho High School in North Las Vegas, and was a life long Las Vegas resident.

He was most proud of his work in the kitchen at Valley Hospital for 35 years. He struggled with seizures the last 25 yrs of his life, but never let it dampen his spirits or resolve. His motto was "I never give up." And he never did.

He loved watching his two favorite shows, Andy Griffith and MASH; and he never turned down his favorite Philly Cheese steak at "Pops".

Benny looked forward to fishing at Lake Mead with brother-in-law Bill and cousin Frank, so they could spin more Big Fish stories.

Even though he didn't have children of his own Benny loved his grandnephew, Mason, and left him many drawings done in the last years of his life.

Benny was a constant joy to everyone who knew him. He was a servant with a tremendous heart for others. He put the Lord first in his life and today he is with Him and all illness and pain are finally gone.

Benny was much loved and will be dearly missed.

He is survived by his aunt, Cheryl Nanney and family of Pinson, TN; his sisters, Jacqueline Coatney, Henderson, NV and Judy Clark (Bill), Las Vegas NV; nieces Stephanie Ramirez Ruiz (Sergio) of Parowan, UT and Shannon Thompson (Ryan), of Las Vegas, NV; nephew Matt Coatney (Susan) Lincoln, NE; and grandnephew Mason Ramirez Ruiz of UT; and grandnieces, Snow Everly Thompson of Las Vegas, NV, Laura and Audrey Coatney, of NE.

Funeral arrangements are under the direction of Affordable Cremation and Burial. Service dates are pending.
