“ I remember aunt Berniece aunt uncle Gar when they would come to St. George. She was always so pleasant and fun. In later years on the couple occasions I spoke with her it was so much fun. After many of the stories were told she sounded exactly like my grandma Misha. It is an end of an era and I am grateful for my predecessors.

“ Grandma, I've found myself thinking about you so much lately. We have another kitten, his name is Felix and he loves to sleep in your chair. Oscar bought you a rose for mother's day and we put it in the living room for you.. it's not the same without you here. We miss you and love you. Always. Love Kelsea aka "Jazabel"
