

Beverly Luana Aki Lertswan

October 17, 1953 - February 21, 2026

To the amazing woman Beverly Luana Aki Lertswan as we know her. She was a mother, a sister, a friend, an aunt, and to some a grandmother. But most of all to me she was my best friend who stood by my side through thick and thin. She was a simple person who lived a simple life, growing up in a family of six. She touched many hearts and always meant well when she spoke, whether it was good or bad. I will not speak on the what ifs or why things happened in life. I am here as her son cherishing the memories and moments, I shared with her the day she gave birth to me. I will always remember the times we spent together, good or bad. This is what makes the bond between us so special that I will always cherish. No matter where I go or where I am in life, she will always be with me because she would have done the same.

As I say my final words to her, we do not say goodbye. We say, "A hui hou," which means until we meet again.

Love your son,

Shaun Kalani Lertswan

I love you mom. Rest in peace.

“ *Bev was always great company, so much fun to be around and a reliable co-worker. Bev’s pride and joy, in addition to her dear son, was her family traditional 13-ingredient banana bread recipe which had been passed down through generations and sought after by many hotels in Las Vegas. We miss you, and love you, Bev.*
