“ Can't believe it's been a year. You are dearly missed by your loving Suzanne. She's lost without you. Although you could be a "GRUMP" at times (that was just a facade) you had a heart of gold & so much love for your family.

*You are missed by all of us left behind. Till we meet again.*

“ Rough & Gruff on the outside....Softie on the inside.I'll always remember the time I was visiting around 8pm at the house on Vegas Dr. Dark outside...there was a knock on the door. Bobby opened it to a homeless man wanting money. Bobby told him to wait right there, he'd be right back. He went in the kitchen & made the man a PB & Jelly sandwich & handed it out the door.RIP my friend from The Myers Fam Terry, Cheryl, Ron , Todd & Jeremy
