### He Only Takes the Best

God saw she was getting tired and a cure was not to be, So He put His arms around her and whispered "Come with Me". With tearful eyes we watched her suffer, and saw her fade away, although we loved her dearly, we could not make her stay. A golden heart stopped beating, hardworking hands to rest. God broke our hearts to prove to us, He only takes the best.

“ My grandma, Brenda Rose, was the most loving grandma in the world. I even gave her a butterfly painting that said in bold letters "a beautiful butterfly for a beautiful grandma." When she saw the gift, I saw a tear of joy run down her face. We had so many memories of her making weird expressions at the TV and me and my mom would hysterically laugh. I wanted to search up famous people on the internet, so I searched up the best grandma in the world and this website popped up. Thank you so much for giving my family and my grandma a very nice memorial.
