### Afterglow

I'd like the memory of me to be a happy one. I'd like to leave an afterglow of smiles when my life is done. I'd like to leave an echo whispering softly down the ways. Of happy times and laughing times and bright sunny days. I'd like the tears of those who grieve, to dry before the sun. Of happy memories that I leave when life is done.

“ I'm proud to have called Brian one of my best buddies for almost 40 years. While fishing was his passion, he loved our Halloween parties.

“ *Trish & Sylvia, I'm so terribly sorry for your loss. One cool memory I have of Brian from my teen years is when Trischa invited me to go four wheeling with you all. I spent the night & we all got up at the crack of dawn to go out to the desert. I literally thought I was going to pee my pants four wheeling that day. Brian was driving his big lifted pickup truck up and down mountains at a 90 degree angle. I've never been so terrified and thrilled at the same time. It was the best time ever! That's just one of my awesome Brian memories. He will be sorely missed by everyone he's ever met. My deepest condolences to you both. Love you Trish & Sylvia.*

“ *Brian is a memory of my young adulthood. He was a strong figure to me during my friendship w Trish and Sylvia as another mom. He was tough, rugged, strong, and witty! He kept me on my toes! Bass and beer!!*
