When I Must Leave You

When I must leave you for a little while, please do not grieve and shed wild tears and hug your sorrow to you through the years, but start out bravely with a gallant smile; and for my sake and in my name live on and do all things the same. Feed not your loneliness on empty days, but fill each waking hour in useful ways. Reach out your hand in comfort and in cheer and I in turn will comfort you and hold you near; and never, never be afraid to die, for I am waiting for you in the sky!

“ *What a beautiful spirit. My dancing baby girl! I was your first coach. Dance & cheer. Your soul has always been too big for earth. Such a pleasure to be apart of your paradigm. You will be missed baby girl. What an honor to know you. May your ancestors welcome you with open arms. I know the angels are rejoicing. Say hello to my sweet son, Khyler for me. With love, Coach Aaliyah*
