### A Fallen Limb

A limb has fallen from the family tree. I keep hearing a voice that says, "Grieve not for me. Remember the best times, the laughter, the song. The good life I lived while I was strong. Continue my heritage, I'm counting on you. Keep smiling and surely the sun will shine through. My mind is at ease, my soul is at rest. Remembering all, how I truly was blessed. Continue traditions, no matter how small. Go on with your life, don't worry about falls. I miss you all dearly, so keep up your chin. Until the day comes we're together again."

“ My Mom Nina Holman was very close friends with your Mom. They talked almost day. They had a special friendship. Bunny was a good person and friend. We pray that she went peacefully and is in heaven watching over your family and friends. She will be so missed. Nina and Gail
