### I'm Free

Don't grieve for me for now I'm free. I'm following the path God has laid you see. I took His hand when I heard His call. I turned my back and left it all. I could not stay another day to laugh, to love, to work, or play. Tasks left undone must stay that way. I found peace at the close of day. If my parting has left a void then fill it with remembered joys. A friendship shared, a laugh, a kiss. O yes, these things too, I will miss. Be not burdened with times of sorrow. I wish you the sunshine of tomorrow. My life's been full I savored much, good friends, good times, a loved one's touch. Perhaps my time seemed all too brief. Don't lengthen it now with undue grief. Lift up your hearts and peace to thee... God wanted me now. He set me free.

# Tribute Wall

“ To family and friends...As the days and weeks pass, and as we return to life's routine, may we continue to feel comforted by the memories, good and fun times shared, along with the sad and bad times we have had to overcome as a family. May we continue to comfort each other as this shall pass and know that one day we will all meet again .

“ My Dear Tomate (Carlos), that's what we used to call you when you were little. It hurts to say this, but my wish is that you are now resting and not suffering. I hope you are rejoicing with Grandma and your brothers. Love forever, Nina.
