

Caroline Westmorland

April 27, 1945 - November 30, 2020

Caroline Westmorland was born and raised in New York. She met her husband "Wes" through the laundromat that her mother owned. They were married and lived on Long Island. She worked as an administrative assistant before the birth of her son Chris, then became a full-time mom until her husband lost his job. For many years, she worked as an administrative assistant at the Hewlett School. After her husband's death, she made Las Vegas her home and worked as a clerk at the Southern Nevada Health District until her retirement. She was an active member of St. Matthew's Episcopal Church and loved animals (especially sloths), travel, watching tv and movies, and reading books. She was a wonderful mother to her son and he will miss her every day. Being a grandmother brought her tremendous joy at the end of her life and her family deeply regrets that her grandson will not be able to grow up with her in his life. Survived by son Chris, daughter-in-law Alecia, and grandson Sebastian. She will be missed by all who knew her.
