“ Clara was a kind and gentle soul! She was always upbeat and in a good mood. I met her while working at Boeing during the 80's and 90's. I think the thing I remember most about her was her warm and genuine smile. I'm sure she will fit in well in heaven, because she was an angel here on earth. God bless you Clara and may God comfort your friends and family. Your kindness will be missed, but you will not be forgotten. Take care my friend until we meet again.
