

Consuelo Dolph

January 7, 1928 - June 29, 2022

Aunt Connie was born in Terminal Island, CA on January 7, 1928. Her mother, Petra, passed away when Connie was only 9 months old. Soon after, the family moved to San Pedro where she was raised mostly by her sister Amelia. She had a public-school education and graduated San Pedro High School Class of 1946. One of her first jobs was as an Usherette at The Strand Movie Theater. After taking a few classes at college, Connie went to work for Pacific Bell and spent a couple of years in San Francisco during the mid 50's gaining her independence before moving back to San Pedro. At Pacific Bell, she found her life's work as the company grew to what is now AT&T. In the 60's she married Bob Dolph and the two moved to Las Vegas. After a short time, they decided to part ways, but Connie loved Vegas and chose to stay. Though her final years were in quite solitude, her young self would go skiing, boating and dancing. However, the past couple of months have been rough and Aunt Connie joined her parents and siblings Wednesday morning June 29th. She is survived by her nieces and nephews.
