### Psalm 23

The Lord is my Shepherd; I shall not want. He makes me to lie down in green pastures; He leads me beside the still waters. He restores my soul; He leads me in the paths of righteousness for His name's sake. Yea, though I walk through the valley of the shadow of death, I will fear no evil; For You are with me; Your rod and Your staff, they comfort me. You prepare a table before me in the presence of my enemies; you anoint my head with oil; My cup runs

over. Surely goodness and mercy shall follow me all the days of my life; And I will dwell in the house of the Lord Forever.

“ I met Crystal while attending Wirt High School. We were both members of the Jazz, Pep & Marching Bands which she played the Clarinet. Years later we enjoyed taking nature walks near the beach. Rest well, my friend. Love always. Matthew

“ "Uncle Robert" - this alluring sound, followed with an endearing smile from the affectionate Crystal Renee Brown has always been a symbol of family love. Crystal's Grandmother brought forth eleven children. Skinny being the eleventh and I being the tenth were - in 1963 - on summer vacation seeing San Francisco for three months having to return to Gary, Indiana a few days before August 29, Skinny's birthday. Cine's Crystal is born August 29, 1963. Momma, Skinny and I moved to San Francisco permanently in 1965 and every time I came back to Gary, Indiana or Crystal visited San Francisco, I got this pretty sound "Uncle Robert" and the very attractive Crystal Renee Brown smile. I know Crystal's winning smile tolerated the commotion behind covid19 because even though there are ups and downs in living - Crystal Renee Brown's quality smile is shining on me.

“ I worked with Crystal Brown for over a year as her assistant in the health office at ccsd. We shared many conversations about her faith in Jesus, her family and every day life. My last day of work with her, we went to Applebees and laughed together over lunch. She was a dear sister in Christ! See you again my friend Crystal when I meet Jesus!

“ I worked with Crystal for the last year and a half. I was fortunate enough to be on her team. Crystal is a person who immediately makes you feel good just being with her. She obviously had a passion for nursing and compassion in life. I so wish I could have gotten to know her better. She is one who makes you want to be a better person. Be with God Crystal, know that we will all be ok without you, but surely wont be the same. Thank you for your loving spirit left behind on this earth.

“ To Crystal's children, mother, and brother. Crystal was truly a wonderful mother, daughter, sister and to me she was one of my oldest and dearest friends. She was a beautiful person with a loving heart. She was strong, peaceful and confident. She was my go to girl when I needed a friend not just to talk to but listen and passed no judgement. She definitely would correct me when I was wrong but did it lovingly. There's so many wonderful things I can say but know she will be missed and I will carry her in my heart. May God continue to give you all peace, strength, and understanding. Forever grateful I've had the honor of knowing you all through her. Continued prayers.
