Afterglow

I'd like the memory of me to be a happy one. I'd like to leave an afterglow of smiles when my life is done. I'd like to leave an echo whispering softly down the ways. Of happy times and laughing times and bright sunny days. I'd like the tears of those who grieve, to dry before the sun. Of happy memories that I leave when life is done.

“ Rest in power and peace my dear sister/friend. Your afterglow is what you already had in life and those memories will stay with me for the rest of my life and beyond. Memories from childhood through adulthood that were filled with love, laughter, and shenanigans. They would have been meaningless without your huge laugh, heart, and soul. I hope you knew that the "Icon" was always you! How proud and happy I was to watch you find your true loves, Ray and Ashley, your legacy and hearts. I know that you have found Frankie baby, Joanie, Gina, and the Rios Brothers and said, "Do you know who I am"? The world's loss is heaven's gain. I'm sending love, hugs, and prayers to Ray and Ashley! My God, how she loved you two!! Arrivederci fino a quando ci incontreremo di nuovo. I love you Dana Monica Urbin Tarzana gang
