I Am Not There

Do not stand at my grave and weep, I am not there, I do not sleep. I am a thousand winds that blow; I am the diamond glints on the snow. I am the sunlight on ripened grain; I am the gentle autumn's rain. When you awaken in the morning's hush, I am the swift uplifting rush of quiet birds in circled flight. I am the soft star that shines at night. Do not stand at my grave and cry. I am not there; I did not die.

“ David I was saddened to hear that you departed life on earth leaving your loved one's, I understand that fate happens with this thing called life. I last saw you at your Dad's services and you spoke that you would miss him but if you look in the mirror you would see him! You have no more pain, no more suffering! Say hello to your Dad for me & Andrew.. To the Burn's family: Endure more love, Love wants there to be more Love and your Loved one's living eternal life will follow you through out your daily life for the rest of your live's in spirit. No one can separate them from you, You'll miss them so much and yet they are still here, remember the fun times you've shared, look at pictures & it will keep them close to your hearts! You and your loved one's are always in my thoughts & prayers... God bless! Love LaTonya..

“ You were called home 03/24/2020 and I definitely was not ready, You were on my mind the past few days before you left us, I kept getting distracted and missed calling you, I'm struggling at this point because I didn't get to talk to you one more time, You will truly be missed little baby bro but surely never forgotten, Love you always and forever
