

## David Allen Majcher

July 27, 1987 - May 21, 2019

David Allen Majcher, a strong Leader and Salesman extraordinaire, heart of Gold, humble, loving young man, died Tuesday morning in Las Vegas Nevada. David had suffered over 10 years with severe pain from progressive multiple sclerosis. David is no longer in pain and suffering. He died two months shy of his 32nd birthday.

Born in Monterey California moved to Las Vegas in 2000. David adored family, fishing, camping, cooking, BBQing and friends. Family was always first in David's life and heart. Everyone who ever met him or knew him, were exposed to a fun-loving gentleman who just made you feel good about yourself and life. David was always passionate for the less fortunate and yet he thoroughly loved the successful opulent arena. He was a self-starter and motivational Leader and Director. At 19 years old David was head of a call center with 120 employees, before the MS got really bad. Dave would say, "People don't see me on the phone, so they never know my age", "ABC always be closing" was his moto. He was a natural born Salesman after his Father and loved to talk and inspire people. David met the Love of his life Alisha Wyscarver during her Pediatrician Residency. After a 12 pack of beer and pizza they just knew they fit together like Peas and Carrots, hence their nick names established 2017. They were to wed in Texas 2020.
