Serenity Prayer

God grant me the Serenity to accept the things I cannot change, Courage to change the things I can, and Wisdom to know the difference.

“ David was always this sweet and kind face that would bring a smile to my face each time I saw him. He was an absolute delight and just an adorable face. I admired him and say a prayer to ask God to bless those that have a heavy heart at this time of his loss and also make room for the man they just gained in heaven. May he always fly with the angels until we meet again. To his loved ones and family, peace be with you and always much love forever and ever. Many blessings for a life made in heaven. Amen.
