When I Must Leave You

When I must leave you for a little while, please do not grieve and shed wild tears and hug your sorrow to you through the years, but start out bravely with a gallant smile; and for my sake and in my name live on and do all things the same. Feed not your loneliness on empty days, but fill each waking hour in useful ways. Reach out your hand in comfort and in cheer and I in turn will comfort you and hold you near; and never, never be afraid to die, for I am waiting for you in the sky!

“ For the five plus years, I have know Dawn, the first thing I'd like to say about her is, she was smart, funny and beautiful. Her favorite movie at the time was Crazy Rich Asians, and one of her favorite songs was Faithfully by Journey. She was very proud of her son Steve, she loved her family very much. Her husband Billy and I were friends from my job. Dawn and I had many talks about him. She enjoyed working around her house, Especially working on the front and back yard. Dawn loved spending time with her pets, Happy, Raven and Silver. I have a thousand great memories of our time together and I saw her put up a great fight till the end. I miss my friend, but I know she's not worrying about anything and I feel she at peace now. Love you my friend. Clifford K. Wilson.
