

## Dennis Charles Taylor

April 15, 1948 - May 1, 2020

Dennis Taylor, age 72 (would have been 73 but he was sick a year) passed away after complications due to dementia on May 1, 2020 in Las Vegas, NV. Denny is survived by his three daughters Tamarind, Jessica, and Nicole. He is preceded in death by his mother, Marion Taylor, father Howard Taylor, and brother Craig Taylor.

Denny was born on April 15, 1948 in Thornton, CO.

Throughout his life, Denny built a career as a truck driver and everyone's favorite bartender. Some favorite memories are handstands on the bar and his classic one liners.

He was well known throughout Las Vegas as the "goofy guy" who was always there to lend a hand and give you a good laugh. His friends remember him as a loyal, caring and a genuine guy.

Denny was a loving father. From teaching handstands or how to do the perfect dive into the pool, to showing how to brighten a room, Denny's daughters are left with countless life lessons and memories to help their father's legacy live on.

He'd like to remind you all, if you're not doing nothing later take a bath !

Daddy-O, it was so so nice talking to ya. 10-4 good buddy.

A celebration of life will take place in the fall. More details to come soon.
