Letter From Heaven

When tomorrow starts without me, and I'm not
here to see, if the sun should rise and find your eyes, filled with tears for me.
I wish so much you wouldn't cry, the way you did today, while thinking of the
many things, we didn't get to say.

I know how much you love me, as much as I love you, and each time you
think of me, I know you'll miss me too.

When tomorrow starts without me, don't think we're far apart, for every time
you think of me I'm right there in your heart.

“ Shelley - though I never met your mom in person, I can tell what a happy lady she was, and I know how much you love her and how you cared for her. I pray that God brings you the comfort of knowing that she is with him now. I look forward to talking with you about her in person, and helping you get through the grieving. They are always in our lives, even decades after they are gone. Linda Garrison
