Diane M. Foy, age 74, passed away peacefully, with her children at her side, in Las Vegas, NV.

Diane was preceded in death by Cecil(Larry) Foy, her husband of 44 years. She was born March 03, 1944 in Greenville PA, to Egbert(Pat) and Helen Struchen.

Diane is survived by her children Dinah McKinney, Brian Foy, and Brad Foy, five grandchildren, two great grandchildren and "Snickers" her faithful companion for eleven years.

Diane spent the last 50 years being the humble bedrock of the family. Through all of the family's trials she unfailingly supported her husband and children in their endeavors or crises. We will mourn her passing for some time, and can only hope she knew she was never taken for granted, and was loved immensely.
