February 26, 1977 - June 7, 2021

### Psalm 23

The Lord is my shepherd, I shall not want. He maketh me to lie down in green pastures: He leadeth me beside the still waters. He restoreth my soul: He leadeth me in the paths of righteousness for His name's sake. Yea, though I walk through the valley of the shadow of death I will fear no evil; for thou art with me. Thy rod and thy staff they comfort me. Thou preparest a table before me in the presence of mine enemies; thou anointest my head with oil; my cup runneth over. Surely goodness and mercy shall follow me all the days of my life; and I will dwell in the house of the Lord forever.

“Dori was such a wonderful soul. The constant smile on her face was a daily reminder of how precious life is and to always be grateful. I pray for healing for the family of Dori and Calvin. Our kids went to daycare together and I and my husband worked with both Dori and Calvin. Your family will always be in our thoughts, hearts, and prayers.

“Dori and I were 3rd grade classmates. I would describe her as sweet spirited, non-confrontational, and always wore a bright smile. I had the pleasure of speaking to her again nearly 2 years ago and she displayed those same characteristics. I was very saddened to hear of her passing yet relieved to know that she had a strong relationship with our Lord and Savior Jesus Christ. It is written, "For we know that if our earthly house of this tabernacle were dissolved, we have a building of God, a house not made with hands, eternal in the heavens". May you dance forever in His presence Dori! Prayers being offered up for her children, mother, brother, family, and close friends during this difficult time. My sincere and deepest condolences.

“ I met Dori when she was about 18 years of age. She worked in the District Attorney's Office. I was so impressed at how smart she was that I encouraged her to continue her education. She was so determined. I was proud to attend her graduation from the University of Houston. Dori loved her beautiful family and especially her children. She was a devoted daughter, sister and mother. I will miss you Dori and your beautiful smile. May God Bless your family!

“ Yes, Dori was my daughter by marriage, and a daughter for life. She did in 44 years, what most of us today has not yet accomplished / Love the Lord, and really took care of all lifely commitments. As her Stepfather I appreciated her great spirit to life and her pride n joy in life, her Mother/Brother and most certainly her 4 children. For 20 years that have been in Dori's life, she was and still is, an angel sent by God to show the way. And to the rest of the family, we will never know where we all are headed, but we will saver the past and enjoy the sweet ride ahead, Thanks to Dori's Book on life that is etched in our souls forever. “ I was fortunate to attend college with Dori (University of Houston), and we also worked a part-time job together, while in school. I always admired Dori's boldness and ability to stand up for what was right. I loved her relentless attitude to work through any obstacle with a smile on her face. Dori will be forever missed, especially by those who were able to spend more time with her. I pray for everyone she loved and left behind. Until we meet again. God Bless you Sister Hilson! With Gods Love, BB

“ I met Dori when she came to work for the City of North Las Vegas. We worked in the same office and her desk was very close to mine. She was such a beautiful person, inside and out. She always had a smile on her face and she was so graceful. Her laughter was infectious. I am devastated by her loss. She has weighed heavily on my mind as I knew there was something happening but whenever we spoke she would say "I'm doing all right." I never pushed but I let her know I was thinking about her. Now I wish I would have called her more but life is like that. I will always remember her fondly. The world is less bright without her.
