Remembering Dorothy Stearns

Dorothy Stearns, age 87, passed away peacefully, January 30, 2026, leaving a void in the hearts of those who knew her but a lasting legacy of kindness,

Dorothy spent many years as a familiar, friendly face working at the bank, but her true passion were found at home. She had a deep, tireless love for animals - especially dogs. Dorothy made it her mission to adopt and care for dogs who needed a helping hand, giving them a soft place to land and a life full of love. When she wasn't caring for her rescues, she could almost always be found working in her yard, finding peace and joy in the simple beauty of nature,

She is survived by her Devoted son Kevin Stearns, Naperville, IL (Amy) and her last dog rescue Cody, who will forever cherish her compassionate spirit and the many lessons she taught Kevin about hard work and empathy

She was preceded in death by her parents, Roman and Catherine Majdecki
Brother Roman Majdecki Husband Walter J Stearns Son Wally Stearns

Dorothy will be laid to rest at Palm Northwest Cemetery in Las Vegas, Nevada
returning to the
earth she spent so much time tending with care.

“ Michael, I’m so sorry for your loss. My heart goes out to you. The love and dedication you showed throughout Dottie’s life, and especially over the past three years—moving to Las Vegas to be near and care for your mom—truly speaks to the depth of your devotion. Dottie was so blessed to have you, and it’s clear how deeply she was loved. Please know that you are in my thoughts and prayers during this difficult time.

“Dottie you will be truly missed. Our friendship goes back over 30 years and we never lost touch with each other once I left Las Vegas. Our phone calls to each other remained constant to help us both through our aging years. The hardships you faced during the past 2 years are behind you now, so rest peacefully in the arms of Jesus. You left nothing undone on this earth and built a loving family among all your friends and neighbors. I am so proud you came into my life. I will always treasure our relationship and hold deeply in my heart the memories of our times revisiting the past and ironing out problems facing us both, as great friends do. You were loved here on earth for your good works and you shall continue further good deeds in Heaven with our Lord and Savior, Jesus Christ. You were a good and faithful Christian. Rest in peace, my dear friend. You will never be forgotten.
