

## Dr. Sharon Ann Edwards

July 11, 1945 - January 9, 2023

07-11-45 - 01-09-23 It is with profound sadness and a heavy heart that we announce the sudden passing of Dr. Sharon Ann Edwards. She gave of herself unselfishly, she shared the beauty within her and she helped so many in so many ways! She made life good for others and herself! She was passionate about education. She received her B.A. and M.S. from UNLV and her Ph.D. from Columbia Pacific University. She loved working with children in need and they seemed to return the love! Retirement was not in her vocabulary. Helping others better themselves in their lives was a passion from which she would not leave. But she did have a passion for living each day the best she could. Spending time with friends, traveling to the Opera, kayaking down the river and always looking for the next adventure gave her the resource to continue the pursuit of helping others!!! Dr. Edwards, you made life good!! She was preceded in death by her husband, Dallas and brother, David Gardner. She is survived by her son, Joshua and a sister, Dr. Linda Gardner-Garcia. A memorial Scripture Service will be held at St. John the Baptist Catholic Church 3055 El Mirage Way, Laughlin NV 89029 on February 25, 2023, 10:00am.

An Old Irish Blessing

May love and laughter light your days, and warm your heart and home. May good and faithful friends be yours wherever you may roam. May peace and plenty bless your world with joy that long endures. May all life's passing seasons bring the best to you and yours.

“ We are saddened to have lost our family friend Dr.Sharon Edwards. Rex and Diana and Philip and Stephanie went on many campouts with Sharon when we were Girl Scout leaders. Dallas was always a back up help and or transportation when needed. Stephanie and Philip had time with "Sherry" in the Girl Scout canoeing program and always appreciated her leadership and friendship and willingness to share any skill that she had. She was a good role model for all ages. Everyone learned when in her presence.

“ Sherry Edwards was a seeker. Always listening for truth. Always looking for a better way. Trying before deciding. Challenging herself to be the best. There are many young people out there who will not realize the valuable gift of knowledge she shared with them until they reach a certain maturity. Then they will find themselves beginning their sentences with: "I had a teacher who showed us...gave us...taught us." Sherry's spirit will continue. Carole Clark and family
