

Dranda Kay DeLeon

July 12, 1953 - March 11, 2026

In Loving Memory

We are saddened to share the passing of our beloved wife, mother, grandmother, and great-grandmother, Dranda De Leon. She lived life on her own terms—strong, direct, and unapologetically herself.

She met her husband, Rudy De Leon, in January 1972 and married on June 1, 1973. She worked for 25 years at Ralph's and took pride in providing a better life for her family, even while facing long-term health challenges, including kidney and pancreas transplants.

She didn't sugarcoat things and wasn't for everyone, but those who loved her appreciated her honesty, strength, and "spicy" personality. She had a playful side too and loved sneaking up on family members just to scare them and laugh.

She loved animals, especially her dogs Bella, Cuddles, and Cooper, and enjoyed movies and books in her quiet time.

She lived a good life, was loved by many, and will be deeply missed.

Don't grieve for me for now I'm free,
I'm following the path God laid for me
I took his hand when I heard him call,
I turned my back and left it all
I could not stay another day,
To laugh, to love, to work or play
Tasks left undone must stay that way,
I've found that peace at the close of day
If my parting has left a void,
Then fill it with remembered joy
A friendship shared, a laugh, a kiss,

Ah yes, these things I too will miss
Be not burdened with times of sorrow,
I wish for you the sunshine of tomorrow
My life's been full, I've savored much,
Good friends, good times, my loved one's touch
If my time seemed all too brief,
Don't lengthen it now with undue grief
Lift up your heart, rejoice with me,
God wanted me now; He set me free.

“ *Your Mom was definitely an outspoken , strong 💪, get in line or kick rocks kinda woman but she also had a soft side that very few of us saw growing up that I will always cherish. The way she never gave up on her kids or her husband or her grandkids no matter how tough life got. No matter what health issues she had she fought and fought and fought. There was nothing Dranda DeLeon couldn't handle or battle. Win or lose she didn't care. She fought until the end. I'm so grateful for her peace and pain free life she's entering now in heaven and I will always remember her as a huge part of my entire childhood. RIP QUEEN* 🙏

“ Tribute to Dranda

Dranda was more than a neighbor to me — she was like a mother and one of the most trusted people in my life. For eight years she lived next door, but for eighteen years she was a constant presence in our lives, witnessing both our struggles and our joys. During one of the most difficult seasons of my life, when my marriage was breaking and I was raising three teenagers, Dranda stood beside me with wisdom, strength, and love. She listened without judgment and guided me when I felt lost.

My children loved her deeply. They remember how she would take them to school when they were running late, bake cakes, make popcorn, and have movie nights watching scary movies together. She created memories for them that will live in their hearts forever.

Dranda was strong, loyal, and fiercely protective of the people she loved. She stood up for me when I needed someone the most and cared deeply about our family. Her kindness, courage, and beautiful spirit touched our lives in ways words cannot fully express.

Our hearts are forever grateful for the 18 years of memories we shared with her. She will always be part of our story, and she will be deeply missed but never forgotten.

*With love always,
Irene and family*

“ People come into our lives for a reason. We have known and been friends with Dranda and Rudy for over 20 years. We remained friends even when all of us moved from Ft. Mohave. We traveled, we boated, we talked on the phone. We had some great times.

You are no longer in pain, my friend. Rest in peace. We love you and miss you.
