

## Edward Lee Couch

August 16, 1945 - December 30, 2018

Edward "Lee" Couch, of Las Vegas, NV and formerly Richfield, Utah passed away on the evening of December 30, 2018.

Lee was a proud Marine and a Vietnam Veteran, and was a retiree of the Coca-Cola Company. Lee was the true definition of a born again Christian and was a pastor for many years. He was committed to serving people and showing the love of Jesus, not only in word, but in action. He was a friend to everyone who knew him and never missed an opportunity to give a helping hand. He, along with his wife, Barbara, ministered to many while serving in the jail and prison ministries and helped many others as a leader of the One Way Ministry while living in Utah. He recently served a mission trip to Mexico with members of The Crossing Church where he helped build homes for families in need. He genuinely cared for people.

He loved the Utah Jazz and the Denver Broncos and would bet on them even if they weren't favored. His pride and joy was his entire family.

Lee is survived by his wife Barbara of 54 years, daughters Kimberly Finch and Klysta (Jeff) Ashby, Grandchildren, Marcia (Steve), Tony, Matthias (Heather), Melanie, Aubrey (Jason), Chance (Kayla), Vanessa and Alexis, Great-grandchildren, Halton, Hayden, Lily, Ecie, Kiara, Navy and Elijah, many, many extended family members and countless friends.

A special thank you to the staff at Summerlin Hospital, Dr. Singh and the caring members of The Crossing Church for their loving care and support.
