Family and Friends will always remember our beloved Papa as a man full of Love for everyone and Faith in God. He will truly be missed by all who knew and loved him.

Rest in peace, Eddie my LOVE.

I'm Free

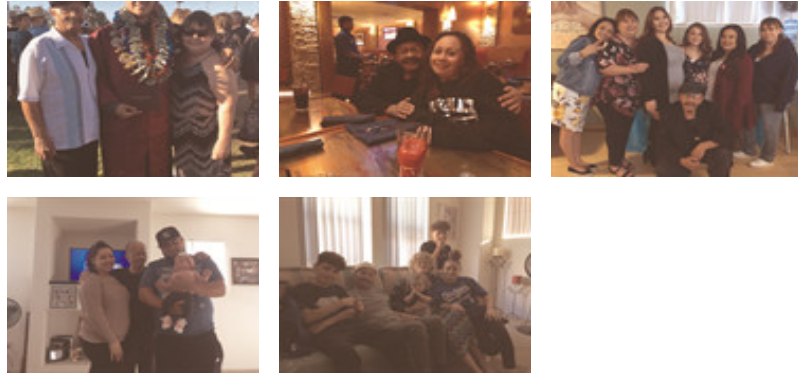

Don't grieve for me for now I'm free. I'm following the path God has laid you see. I took His hand when I heard His call. I turned my back and left it all. I could not stay another day to laugh, to love, to work, or play. Tasks left undone must stay that way. I found peace at the close of day. If my parting has left a void then fill it with remembered joys. A friendship shared, a laugh, a kiss. O yes, these things too, I will miss. Be not burdened with times of sorrow. I wish you the sunshine of tomorrow. My life's been full I savored much, good

friends, good times, a loved one's touch. Perhaps my time seemed all too brief. Don't lengthen it now with undue grief. Lift up your hearts and peace to thee... God wanted me now. He set me free.

“ My dearest sister, I am so saddened of Eddies passing. As I saw him on and off the past couple of years going through his illnesses he remained the same happy go lucky guy-greeting everyone with a friendly smile and enjoying a conversation. Eddie was your husband, your protector, your very best friend, the love of your life. May all the fond memories you shared and the family you both created give you comfort during this time. My thoughts and prayers are always with you and your kids and grandkids. Seeing them talk about their dad/papa and weep for him in his final hours was testament of their love for him. At the time of his passing he was blessed to be surrounded by all his family he loved so much. May God bless you and all the kids always, especially during this very difficult time. Gonna miss you brother Ed! Love you all so much! Sugar

“ My Love, My Life and my best friend, I thank you for sharing every ounce of love and respect you gave me. God truly blessed me when you came into my life and we with his power helped us build a marriage that was so strong. You taught our children, grandchildren and great grandchildren what is the meaning of love. Your happiness and kindness was seen and admired by everyone. The emptiness and pain is so unbearable, but I know that you will guide me and give me the strength to move forward. I love you so much, you will always be in my heart. "We'll be together again!"
