A Fallen Limb

A limb has fallen from the family tree. I keep hearing a voice that says, "Grieve not for me. Remember the best times, the laughter, the song. The good life I lived while I was strong. Continue my heritage, I'm counting on you. Keep smiling and surely the sun will shine through. My mind is at ease, my soul is at rest. Remembering all, how I truly was blessed. Continue traditions, no matter how small. Go on with your life, don't worry about falls. I miss you all dearly, so keep up your chin. Until the day comes we're together again."

“*Francine was a beautiful person. I have memories of her that are too many to number. The most outstanding thing I remember about Francine was her kindness, genuinely caring about people. For those of you who have experienced the love she shared, may God console and comfort you in ways only He knows. Until we see her again in Heaven, God bless us all. Thank You Lord for Eternal Life in Christ Jesus.* 🙏🙏

“*Fran... Life won't be the same without you. Since the summer of kindergarten we became BFFs. We share so many experiences, both good and bad..but we rode those bumps together knowing we would be there for each other. I knew you were ill but honestly, I thought that strong Polish constitution of you would get you through this. I don't want to say it was your time; because it wasn't. You deserved more time on this earth to enjoy your family and friends especially since you took care of two husbands with health problems. Ron and I will always remember the "Kronberg B&B" that was afforded to us in Las Vegas...our delicious meals by Ron and our own bedroom with chocolates on the pillows. I will always have your LIVING PRESENCE in my heart and soul. Love you dearest friend for all eternity!!!*

“ *May the Lord hold you in the palm of His hand. Let His love , peace and joy cover you. Now you are free of all illness, worries and pain. I know Ron was there to greet you. Those of your family and our family that preceded you to heaven were also there to greet you. My brother, Wally, was also there to welcome you. Rest in peace my dear sister in law. Love you always, Tina*
