“ Aunt Bea, I always enjoyed your company. I didn't grow up with you around because we lived in different states and when you did move to St. Louis for a short time I had already left for the military. At the end of my career the Air Force brought me to you (Nellis Air Force Base here in Vegas). During our last 3 years I was blessed to be able to spend time with you going out to dinner, watching movies, and enjoying this past New Years with each other. It was always nice hanging out, eating and enjoying a drink or two. Most of all I enjoyed our talks about family history and just catching up on each others lives. I'm so happy we had the chance to spend these last few years with each other. I will miss you Auntie but our memories will run strong.

“Dorothia, I am so so sorry for your loss. My heart hurts so much for you. I know you are numb and I wish I could take away all your pain. Thank you so much for sharing your Mom with me. She brought so much laughter and happiness into my life and she brought me you and your beautiful family. I will always be your "white sister" and I will always be here for you. You are very special to me Dorothia and so dear to my heart. May God comfort you at your darkest time and help ease your pain a little more each day. Much love to you, Laura
