When I'm Gone

When I come to the end of my journey and I travel my last weary mile, just forget if you can, that I ever frowned and remember only the smile. Forget unkind words I have spoken; remember some good I have done. Forget that I ever had heartache and remember I've had loads of fun. Forget that I have stumbled and blundered and sometimes fell by the way. Remember I have fought some hard battles and won, ere the close of the day, then forget to grieve for my going, I would not have you sad for a day, But in summer just gather some flowers and remember the place where I lay, and come in the evening when the sun paints the sky in the west, stand for a few moments beside me and remember only my best.

“ I love you, dad! I'm engaged now, he's truly the love of my life. I have 198 anime husbands now too, hehe. I'm a senior in high school, and I plan on moving out next year to live with my fiance.

“ Hey dad! Miss ya. Here's my 11th grade photo. :’3 I look kinda poopy but I'm doing alot better mentally. I have alot more aspirations and dreams and hopes. I have like 118 anime husband and 1 anime wife. Shana says I have a thing for femboys...I miss you. I can't listen to Legend Of Zelda songs without thinking about you... or bad lip reading. Or that one song we laughed to in the car because it was just gibberish. I love you. I'll keep talking to you in spirit. --Ollie Garden (olivia)
