Gertrudis "Tully" Quiroz

04/17/1946-05/14/2020

Loving wife, mother, grandmother and great grandmother. Tully joins her first husband Albert and son Carlitos in peace. She shared a beautiful marriage with her husband David beginning October 17, 1970. She is survived by her daughters Becky, Pearl, Blanca, Mary Rose and son David Jr. Known for her unconditional love as Nana Tully, she had many grandchildren Albert, Alexandria, Luis, Megan, Harley, Madison, Sebastian, Eva, Lilyana and great grandchild Amiyah. The family would like to acknowledge the siblings Beto, Guero, Edelmira, Oralia, Chita, René, Armando and Ablelardo as family was a huge part of Tully's life. She was a pastor's wife and brought comfort and love to everyone around her. Every instant with Tully was filled with the tones laughter and joy, never a dull moment. She had many talents in every craft and spread her love through them. She kept the family glued together with her traditional meals and stories from her life. She filled her time surrounding herself with serenity, flowers, sand, and the sounds of Juan Gabriel. She will be missed by so many and remembered by all for her vibrant personality and loving ways.

"Surely goodness and mercy shall follow me,
All the days of my life;

And I will dwell in the house of the Lord Forever."

Psalms 23:6

“ *My sincerest condolences to the entire Quiroz family at this sad time. Tully was an absolutely a great woman to have met. She left her love and spirit everywhere she went. The celebration of her arrival in heaven must have been so incredible. Tully's light now burns so bright in heaven and I believe it definitely radiates down here. She is in the sky sitting in the clouds with God watching down on all of us... So just look up...*

“ *Siempre te recordaremos como una mujer muy feliz, llena de vida y amor para todos! Fueron pocos los momentos que pasamos con ella, pero en esos momentos siempre demostró su cariño, fortaleza y amor! Nos quedamos con lo bonito, con los recuerdos, como las veces que nso recibió en su casa, nos dio de comer y nos hizo compañía, también como esta mantita que le regaló a mi primer bebé hace 8 años y conservo con mucho cariño! Dios la tenga a su lado Tia Tully. Un beso al cielo.*

“ Tia,
I want to thank you for loving me. I have so many childhood memories with you from going to Skate country every time you visited Tucson to spending almost every summer with you in Las Vegas. When my grandma passed you and my Tia Oralia filled in that void I had. Thank you for loving us all unconditionally. You truly were the glue to our entire family. Your beautiful smile, silly goofy soul is missed tremendously. May u rest in eternal peace. Love u!

“ Querida prima Tully, le doy gracias a Dios porque te puso en mi camino tu fuiste para mi como un Ángel estuviste conmigo en las buenas y las malas y cuando yo estuve en tu casa contigo y tu familia tu fuiste muy buena conmigo nunca me hiciste mala cara. Me mirastes como una hermana me comprabas muy bonitos vestidos y zapatos. Un día te dije que quería el pelo largo y me compraste una peluca con pelo largo. Siempre vas a estar en mi Corazón gracias por todas las memorias bonitas que tu me distes. Tú fuistes una gran bendición de Dios para mi y mi familia, mis padres y mis hermanas también te quisieron mucho. No me alcanzan las palabras para decirte gracias hasta el cielo.

“ My Nana Tully will forever be the strongest women I shall ever know. Her laugh, her smile. Even at times when there were conflicts she always brought the family together. She will forever be my angel! I grew up only having her as my only blood grandparent and what got me through that was that she filled all of the roles. I would never be bored if I was with her. I will always love swimming because of her! I love and miss you Nana! ~Sebastian

“ *Until we meet again
We think about you always
We talk about you still
You have never been forgotten
And you never will
We hold you close within our hearts
And there you will remain
To walk and guide us through our lives
Until we meet again*

*Dear Nana,
We love you, we miss you. Life won't be the same without you. We will treasure all of our moments together. Although we are hurting right now, we cling to the words, "For we know that if the earthly tent (our physical body) which is our house is torn down (through death), we have a building from God, a house not made with hands, eternal in the heavens." 2 Corinthians 5:1*

“ My best memories are when I use to take Mom to Sonic because she loved burgers. She was so happy every time I did that for her and sometimes after we would go to the gym to burn it off swimming and going into the hot tub. Thats where we mostly had our fun conversations. I also loved swimming with her at the rec Center with Sebastian Lily and Eva. I miss her so much already.
