Letter From Heaven

When tomorrow starts without me, and I'm not
here to see, if the sun should rise and find your eyes, filled with tears for me.
I wish so much you wouldn't cry, the way you did today, while thinking of the
many things, we didn't get to say.

I know how much you love me, as much as I love you, and each time you
think of me, I know you'll miss me too.

When tomorrow starts without me, don't think we're far apart, for every time
you think of me I'm right there in your heart

“ *Grace was a very caring and giving lady I am proud to call friend and family. She took me into her home when I needed a place to stay, we shot pool together and always had lots of laughs. Her passions were her family and friends and of course animals. Her 5 dogs were her babies and always made sure the outside cats were fed and watered. She will be greatly missed. Our prayers and thoughts are with her family.*
