

## Gwendolyn L Allen

July 19, 1950 - May 29, 2020

Gwendolyn Louise Allen was a loving, caring, open wife, mother, grandmother, and person. Since the beginning she's always been outgoing, real, and had a ton of friends and associates.

Gwen, as most called her, was 69, and passed away with love filling her heart May 29, 2020 due to Covid19. She was born July 19, 1950 in Kansas City, Missouri, born to Ruth May Nelson, later adopted by Gwendolyn Penn and Floyd Penn. She, at the age of 35, eloped and married her true love, George M. Allen, in 1985 who continues to love her unconditionally.

Gwen loved to love on people. She always gave to those in need and put other's first. She loved the finer things in life, and always had to look her best! She also shared her love with food such as oxtails and greens, real fried chicken (her batter was the best), enchiladas, and chili beans.

For many years Gwen worked at Douglas Aircraft and was the first woman to create a suggestion for login's where she received a huge bonus and was very proud of her work. She always said, "practice makes perfect".

Gwen is survived by her husband George, only daughter Zanyae, two son's E'Kwan and Maurice, grandson Ty'Jonn, and approx. 25 more grandchildren and great grandchildren. All of these she loved and touched deeply.

Please join us in celebrating her life Friday, June 5, 2020, from 3:00pm to 4:00pm.

Mom, you will be missed and Always, Forever Loved. Until we meet again, know that your love helped and brightened all of our lives.
