I'm Free

Don't grieve for me for now I'm free. I'm following the path God has laid you see. I took His hand when I heard His call. I turned my back and left it all. I could not stay another day to laugh, to love, to work, or play. Tasks left undone must stay that way. I found peace at the close of day. If my parting has left a void then fill it with remembered joys. A friendship shared, a laugh, a kiss. O yes, these things too, I will miss. Be not burdened with times of sorrow. I wish you the sunshine of tomorrow. My life's been full I savored much, good friends, good times, a loved one's touch. Perhaps my time seemed all too brief. Don't lengthen it now with undue grief. Lift up your hearts and peace to thee... God wanted me now. He set me free.

“ I didn't know. Life gets so crazy and filled up. I didn't know that you passed. Thoroughly enjoyed your friendship in the military. You're were super funny and a fierce friend. You seemed able to see through the negative in an individual. You also seemed to be able to see into the heart of a matter and you gave pretty good advice. Rough and uncut advice but usually pretty good advice anyway. It's been so long since I seen you. I'm a little shocked at how much your being gone is affecting me. So that's why I'm writing this. Into the void I assume. I enjoyed knowing you Hap. And as crazy as it seems...I miss you. And I wish you were here even if I haven't talked to you in 30 years or so.

“ Hap... It's going on almost 2 years that u have been gone and missing u has not gotten any easier, seem like as each day passes I just miss u more and more... What I wouldn't give to see u one more time and to hear ur voice on the other end of yhe phone just one more time... What I wouldn't give to get one last hug and kiss from u or to feel ur arms around me one more time... I know u watch over me and I know when ur around; I can feel u whenever ur near (which is pretty often)... I know u can see right threw me and even though I miss u so much and love u lots and feel like I'm falling apart without u physically here from time to time I know that I'll be okay some day, the day I will see u once again... I love u to lots of pieces and miss u like crazy booooy...Love U Always \$ Forever, DaNi
