I'm Free

Don't grieve for me for now I'm free. I'm following the path God has laid you see. I took His hand when I heard His call. I turned my back and left it all. I could not stay another day to laugh, to love, to work, or play. Tasks left undone must stay that way. I found peace at the close of day. If my parting has left a void then fill it with remembered joys. A friendship shared, a laugh, a kiss. O yes, these things too, I will miss. Be not burdened with times of sorrow. I wish you the sunshine of tomorrow. My life's been full I savored much, good friends, good times, a loved one's touch. Perhaps my time seemed all too brief. Don't lengthen it now with undue grief. Lift up your hearts and peace to thee... God wanted me now. He set me free.

Well a father you were not, but a dad a friend an actor, a legend, an acrobat or justly cool cat is what you were, and I thank you for The Times we did share together even though they were much too few, but it was a blessing that I got to know you. I just wish we would have spent more time together. To left me anything besides just a name but such is life. I'm so glad that I came because when I was young, I always thought coming was better than going. Play realize that going to get to be a whole lot better than coming ever was specially.If i'm going to becoming again.
