

Hector Ramon Munoz

September 21, 1940 - August 21, 2023

Hector Ramon Muñoz of Las Vegas, Nevada passed away peacefully on August 21, 2023. Hector was born on September 21, 1940 in Aguadilla, Puerto Rico to Ramon and Isidra Muñoz.

He moved to New York City at the age of six. He was the eldest of four children and was raised in Manhattan. He spent most of his adult life in Brooklyn.

He was a beloved son, husband, father, grandfather, brother, uncle and friend. Hector was a man of many skills. He worked in photography, was an exceptional mechanic and built a fulfilling career with NYC Transit in Hydraulics, where he worked his way up to a supervisory position. He was with NYCT for 25 years until he retired with accolades in 2004, and left NYC to move to Summerlin.

He was a perfectionist who could fix absolutely anything. He loved spending his days tinkering in his garage, taking photographs, hiking in Red Rock Canyon, shooting pool, traveling and enjoying his retirement. He loved reading and spending time relaxing outdoors by the pool, enjoying a good drink and listening to music. He had eclectic taste and listened to everything from rock, pop, jazz, show tunes and country. He took great pride in his home and always made sure it looked perfect.

What brought Hector the most joy was his loving family. He was the loving father of five children and seven grandchildren. Nothing made him happier than seeing his children and grandchildren grow up. He was very proud of all

of their accomplishments.

He is predeceased by his parents, his wife Millie, brother Joe and sister Irma. He is survived by his daughter Donna, son in law Gary, daughter Debra, daughter Carol, son in law Michael, daughter Joanna, son in law Paul, son Junior, grandsons Hector-Brian, Gary Patrick, Brandon, Tyler, Ryan, Travis, granddaughter Gabrielle, his sister Nancy and his loving niece, nephews and cousins.

Hector will be so deeply missed, but his love and light will live on in those who loved him and he cared for the most. May he rest easy knowing the world is a better place because he was in it.
