

Ina Pace Crandall

March 18, 1938 - February 20, 2020

Ina was a wonderful mom, an even better grandmother, and then hit her stride as "Grandma Great"! She was born and lived much of her life in the small towns of Woodland and Peoa, Utah. Ina settled in Las Vegas in the mid 70's and found herself a single mother and forged a successful career as an insurance agent.

She loved baking, caring for her family, pansies, the color purple, planning a party, reading, and beating everyone at board games like Trivial Pursuit. Even in her final years, she was the best Jeopardy player in the house. Because of her, her daughters, and her grandchildren all love to bake, read, and are competitive players!

The family and close friends are gathering to celebrate her life on Saturday, February 29, 2020. If you wish, you may donate in her name to the <https://www.kidney.org/support> or to an organization of your choice.

A star was named for Ina on her 80th birthday and it is shining even brighter now. If you'd like to view, add comments or photos, you may do so at: <https://stars.osr.org/XRW882175#.XlrpISWlbDs>
